REMARKS

Attached for your information and action are a number of questions resulting from the HPSCI hearing on 14 April which we have been asked to answer for the record. A number of the questions (specifically #4, 5, & 28 through 33) had been answered in writing in preparation for the hearing and need only be reviewed and updated or modified as necessary to make them more responsive to the specific questions now being asked for the record. In some instances, the current wording differs slightly from the questions answered earlier. I am attaching copies of the earlier answers to facilitate your response.

Your responses to all of these questions are needed in this office by close of business

If your responses to these questions are retyped on an NBI it would be helpful for us to have your disk in addition to the hard copy. Please give me a call if you have any questions.
